

## An Invitation to Help Update The Stations of the Cross Artwork

Several years ago, fourteen artists from Emmanuel contributed artwork to The Stations of the Cross devotional experience, which runs annually during Holy Week. Each year, many from our community have expressed deep appreciation for this rich experience of meditating on the suffering and sacrifice of Jesus during his last hours.

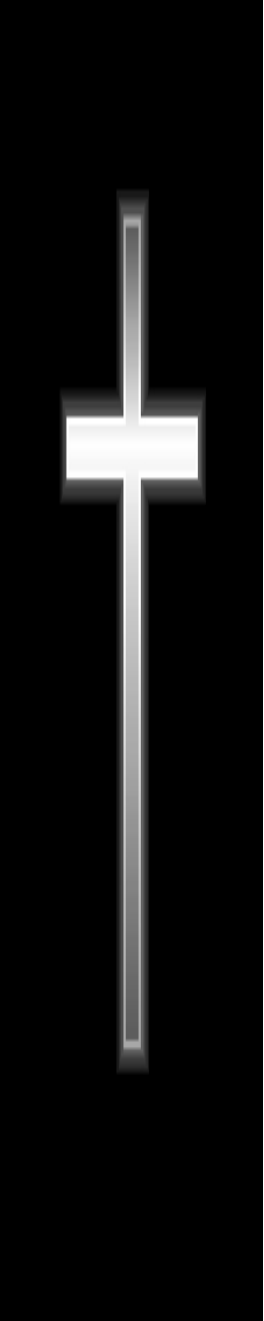

We would like to update the SOTC artwork, and provide an opportunity for other artists to participate in this project. To that end, we would like to invite submissions of new pieces of art for each station. If you have previously contributed artwork for a particular station and would like to do a new piece for a different station, that would also be welcomed.

Media – Any type  
Minimum Size – 16”x20”  
Maximum Size – 4’ x 8’

For a list of the stations and scripture passages on which each station is based, or for further information, please contact Robin Sloboda, robin@ebap.ca or 477-1234, x144 or 306-281-5205 (cell).

Deadline for Submissions –  
Sunday, March 18, 2018
